

Report

TITLE: REQUEST TO RECLASSIFY – DAYSLAND EAST ROAD (TOWNSHIP ROAD 452 FROM SH 856 TO RR 153) TO AN ARTERIAL ROAD

Meeting: Council Meeting

Meeting Date: May 8, 2024

Background

Councillor Howard Shield has requested the reclassification of the Daysland East Road – Township Road 452 from SH 856 east to Range Road 153, approximately 6.0 miles, from a local road classification to an arterial road classification.

In accordance with Policy PW 016 Road Classification and Level of Service, the following is required:

Section B. CHANGING OF A ROAD CLASSIFICATION

As use, users, and volumes change on County roads, roads may need to be designated to another classification so that the Level of Service is appropriate for the road usage. Should a re-classification be required, the following items will be considered in Transportation's assessment:

- *Financial impact assessment*
- *Transportation impact assessment*
- *Development patterns*
- *Traffic type/Annual Average Daily Traffic*
- *Road conditions/Structural failures*

A report will be prepared for Council summarizing the assessment and recommendation from the Transportation department; Council will have final approval of a road re-classification.

Alignment with the Strategic Plan

STRONG COMMUNITIES: Flagstaff County's commitment to Strong Communities means we will provide community services that make Flagstaff an attractive place to live for all generations.

Recommendation

THAT Council direct the Transportation department to prepare an assessment, in accordance with Policy PW 016 Road Classification and Level of Service, of Daysland East Road – Township Road 452 from SH 856 east to Range Road 153, approximately 6.0 miles, to determine if this section of road shall be reclassified to an Arterial road classification.
