Subject: Call for New Directors for Go East of Edmonton Regional Tourism

Dear Partners,

With our AGM approaching Nov 20, we want to extend this invitation and opportunity to ask you to update a representative or consider a Board member position with us.

Why Consider this?

Go East of Edmonton has proven itself for over a decade as the most active and effective in tourism Marketing in our regions of Northeast, East and Southeast of Edmonton. With collaboration we will continue to grow tourism with the exceptional results we have achieved recently and for the future.

Its an opportunity to share your knowledge and experience to help direct the growth of tourism in the region.

Board positions are open currently with a greater need to fill openings that are Northeast and East of Edmonton.

Members of Go East Regional Tourism in good standing are eligible to appoint a staff, or council person as a representative. It is a great opportunity to be a part of the decision making and have a voice for your community and area. The board meets or communicates monthly mostly by Zoom. The time invested is extremely valuable to helping us manage and implement our programs.

It is the preference of the organization that interested members submit in advance their Names and contact information as well as a short paragraph of their skills and experience and why you would be interested to join the Board on or before Nov 13.

Note: Regardless of wether your community can participate on our Board of directors, note that we are still very pleased to work in partnership with you and/or have your Community send a representative to our in person AGM and other workshops.

As a reminder also- please register a representative for the AGM by Nov 13. [2024 Annual General Meeting | Go East of Edmonton](#)

Please contact me for any questions.

Sincerely,

Kevin D. Kisilevich
