## TITLE: 2025 DUST SUPPRESSANT REQUEST FOR QUOTATION RESULTS

Meeting: Council Meeting

Meeting Date: March 12, 2025

### Background

Quotes were received for the supply, delivery and application of Dust Suppressant for the 2025 Dust Suppressant Program. The Transportation department completed testing on Formula 35 Plus in 2023 & 2024 and found it comparable to MG 30. Both products are listed on the Alberta Transportation Dust Abatement Product List.

Formula 35 Plus reduces dust and stabilizes soil by keeping the surface from dehydrating, binding the fine particles of dust together and contributing to better compaction of the road material.

The following quotes were received:

<u>SUPPLIER</u>	<u>PRODUCT</u>	<u>COST PER LITRE</u>	<u>FUEL ADJUSTMENT PER LITRE</u>	<u>TOTAL COST</u>
Tiger Calcium	Formula 35 Plus (corrosion inhibited liquid CaCl <sub>2</sub> )	\$0.29	\$0.00	\$348,000
Kortech Calcium	MG 30 (CaCl <sub>2</sub> and magnesium hydroxide)	\$0.31	\$0.00	\$372,000
			Variance	\$24,000

**Approved Budget for ~1,200,000 Litres of product at \$0.31 per litre \$372,000.**

A quote performance evaluation was used to determine the successful bid for this project, below is the evaluation criteria used to evaluate each quote submission:

<u>Evaluation Criteria</u>	<u>Points</u>
• Contract Total Price	50
• Past Performance with Flagstaff County and/or other Municipalities or Experience in Similar Work Completed	25
• List of Equipment to be Dedicated to this Project	25
<b>Total</b>	<b>100 pts</b>

### Alignment with the Strategic Plan

**Fiscal Leadership** – Flagstaff County will balance the servicing and program needs of the community with consistent, prudent and transparent financial management.

## **Recommendation**

---

TO accept the quote received for the supply, delivery, and application of Formula 35 Plus dust suppressant for the 2025 Dust Suppressant Program, from Tiger Calcium Services in the amount of \$0.29 per litre.
