

Report

TITLE: IRON CREEK FLYING CLUB

Meeting: Council Meeting

Meeting Date: March 12, 2025

Background

Doug Lindseth, President and Jeff Ball, Vice-President of the Iron Creek Flying Club have requested to speak to Council. Doug Lindseth provided the following information for the discussion:

We believe it is time for an in person discussion of past and future developments on the airfield as well as within the club itself. We would like to discuss the option of creating a committee that would meet quarterly or possibly the appointment of an airport manager once again.

I would like to have a discussion on the role of the flying club at Flagstaff Regional Airport. The upcoming events and how we navigate this year as well as the ones to come. An update on the grant application for resurfacing/fuel system possible extension would also be nice to see during our visit to council.
