Subject: Flagstaff Airport

Good day,

I'm writing this letter today with regards to the Flagstaff airport. For many years now I have operated an aerial crop spraying company based out of Flagstaff airport. The airport is a crucial hub in my operations. By operating out of Flagstaff airport I'm able to reach my customers, farmers and growers all around the country of Flagstaff. If there is any opportunity for the airport to grow or become more soundly operational, I am in total favor of any decision that flourishes and increases the quality of the Flagstaff airport.
